Objections are required to be in writing and must be filed within ten days of this date. Failure to file written objections to the proposed finding and recommendations contained in this report within ten days from the date of filing will bar an aggrieved party from challenging on appeal both the proposed

factual findings and the proposed legal conclusions accepted by the district court *Douglass v. United Services Automobile Association*, 79 F.3d 1415 (5th Cir. 1996).

Plaintiff is directed to acknowledge receipt of this report and recommendation by signing the enclosed acknowledgment form and returning it to the court within ten days of this date.
